Local Area

It's a running joke in Charlotte that visitors only need to visit the Queen City once. Why? Because they end up moving here afterwards. That may not always be the case, but with a community so rich in captivating culture, colorful cityscapes, and cosmopolitan character, the thriving quality of life here is abundantly clear. Charlotte's a city where Olympic-caliber adventurers rub elbows with culture mavens. A city that captivates both NASCAR heroes and finance leaders. And a city where Northern newcomers exchange smiles on the street with Carolina natives. Visitors are sure to be just as captivated too.
